

# Enrolment & Orientation Policy

Mandatory – Quality Area 6

## PURPOSE

This policy outlines:

- the criteria for enrolment at Albert Park Preschool
- the process to be followed when enrolling a child at Albert Park Preschool
- requirements in relation to No Jab No Play
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Albert Park Preschool
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

## POLICY STATEMENT

### 1. VALUES

Albert Park Preschool is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

### 2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control, Nominated Supervisor, early childhood teachers, Persons in Day-to-Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Albert Park Preschool.

### 3. BACKGROUND AND LEGISLATION

#### Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2) (k)).

It is intended by 2022 that all eligible children (refer to *Definitions*) will have access to two years of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority of access criteria (refer to *Definitions* and *Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Funding Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* and *Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their

programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (refer to *Definitions*).

### Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) (Administration) Act 1999*
- *Charter of Human Rights and Responsibilities Act 2006* (Vic)

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Australian Immunisation Register (AIR) Immunisation History Statement:** is the only form of acceptable evidence of immunisation. The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. Parents/carers must provide a copy of their most recent AIR Immunisation History Statement, which shows that the child is up to date with their immunisations upon enrolment and when a child has received or been due to receive a vaccination while attending the service. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form, and supplies it to the AIR. In order to confirm enrolment, the Immunisation History Statement must show the child is up to date with the vaccines they can have, medical contraindication and indicate the due date for the next vaccinations the child is able to receive in the future if applicable.

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

**Eligible child:** as defined by the Kindergarten Funding Guide; a child that is at least four years old on April 30<sup>th</sup> in the year of enrolment; enrolled for at least 15 hours per week or 600 hours per year in a 4-year-old program; and not enrolled at a funded kindergarten program at another service. Or a child that is at least three years old on April 30<sup>th</sup> in the year of enrolment and is enrolled in a funded 3-year-old kindergarten program. Any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicate that the child is fully vaccinated for their age or who qualify for the 16-weeks grace period.

**Enrolment application fee:** A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

**Enrolment application form:** A form to apply for a place at the service.

**Enrolment record:** The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including but not limited to parent details; emergency contacts; authorised nominee; details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

**Fee:** A charge for a place within a program at the service.

**Grace period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (refer to *Definitions*) or when the statement is assessed as not being up-to-date. Services complete the grace period eligibility form with families during enrolment, and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (refer to *Definitions*) and to encourage families to access immunisation services.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Funding Guide* (see *Attachment 1: Eligibility and priority of access criteria for a 3 and 4-year-old funded kindergarten program*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places (see *Source*).

**Vulnerable Children/Families:** Children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child being vulnerable include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, known to Child Protection, Out of Home Care, substance abuse, or mental health; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the *Kindergarten Funding Guide*)

## **AUTHORISATION**

This policy was reviewed & updated by the Approved Provider of Albert Park Preschool in May 2021.

**REVIEW DATE:** MAY 2023

## ATTACHMENT 1

### Eligibility and priority of access criteria for a funded kindergarten 3 and 4-year-old program

The Approved provider must notify all families of the priority of access policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the DET criteria listed below
- work with other local kindergarten services and the regional Department office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the Approved Provider when prioritising enrolments. Funding guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented.

Services must first apply the DET's Priority of Access criteria, and following this may apply locally developed criteria, as per examples below.

DET's Priority of Access criteria	Process that could be used to verify need(s)
<b>Children at risk of abuse or neglect, including children in Out-of-Home Care</b>	The child is: <ul style="list-style-type: none"> <li>• attending a three-year-old kindergarten program through Early Start Kindergarten* or Access to Early Learning, or is referred by:               <ul style="list-style-type: none"> <li>– Child Protection</li> <li>– Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker)</li> <li>– Maternal and Child Health nurse, or</li> <li>– Out-of-Home Care provider</li> </ul> </li> </ul>
<b>Aboriginal and/or Torres Strait Islander children</b>	<ul style="list-style-type: none"> <li>• As part of the enrolment process, service providers must respectfully ask families 'is your child Aboriginal and/or Torres Strait Islander?' and record this information in KIM.</li> </ul>
<b>Children eligible for the Kindergarten Fee Subsidy</b>	<ul style="list-style-type: none"> <li>• A child or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card, or</li> <li>• Multiple birth children (triplets, quadruplets).</li> <li>• Asylum seekers and refugee children</li> </ul>
<b>Children with additional needs, defined as children who:</b> <ul style="list-style-type: none"> <li>• require additional assistance in order to fully participate in the kindergarten program</li> </ul>	The child: <ul style="list-style-type: none"> <li>• is assessed as having delays in two or more areas and is declared eligible for a second funded year of kindergarten</li> <li>• holds a Child Disability Health Care Card</li> <li>• has previously been approved for Kindergarten Inclusion Support Package, or referred by:</li> </ul>

<ul style="list-style-type: none"><li>• <b>require a combination of services which are individually planned</b></li><li>• <b>have an identified specific disability or developmental delay</b></li></ul>	<ul style="list-style-type: none"><li>– the National Disability Insurance Scheme</li><li>– Early Childhood Intervention Service</li><li>– Preschool Field Officer, or</li><li>– Maternal and Child Health nurse.</li></ul>
<b>Examples to consider for second priority</b>	
<ul style="list-style-type: none"><li>• children who turn four years of age by 30 April in the year they will attend kindergarten; or</li><li>• children who turn three years of age* by 30 April in the year they will attend kindergarten</li><li>• children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET</li><li>• children who have a sibling that has previously attended the same kindergarten as their first preference</li></ul>	
<b>Examples to consider for third priority</b>	
<ul style="list-style-type: none"><li>• service for transient families e.g. RAAF, seasonal workers and tourism workers</li><li>• date of application</li><li>• local community zoning</li></ul>	

**Note:** DET's Priority of Access (POA) guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, POA guideline will equally prioritise three and four-year-old children that are considered vulnerable. Where programs for three- and four-year old children are provided separately, the POA criteria will be applied separately for each age cohort.

#### **\* Early Start Kindergarten and Three-Year-Old Kindergarten**

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

## ATTACHMENT 2

### General enrolment procedures for funded kindergartens programs

#### 1. Application for a place

- Enrolment applications will be accepted any time after the child has turned 12 months of age via the online waitlist form <http://www.albertparkkinder.com.au/enrolment/>
- Enrolment application forms will be provided to the parents/guardians together with information about the requirements of the law for enrolment, locating and accessing immunisation services, obtaining an up to date AIR Immunisation History Statement and a copy of the *Enrolment and Orientation Policy*.
- Albert Park Preschool will determine the date(s) by which applications must be received for offer of places in the three-year-old and the funded kindergarten program.
- A separate application form must be completed for each child, and for each proposed year of attendance at the service.
- To facilitate the inclusion of all children into the program, the enrolment application form will clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- Parents/guardians of children applying for a second year of funded kindergarten or currently attending a three-year-old program must also submit an enrolment application form for the following year.
- All enrolment application forms must be accompanied by an enrolment application fee in line with Albert Park Preschool's Fees Policy of \$100 per child. This fee is to cover administrative costs associated with the processing of a child's enrolment application and is not refundable.
- Completed enrolment application forms are to be forwarded to the person responsible for the enrolment process at the service.
- Access to completed enrolment application forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.
- Applications will be entered on the waiting list using the eligibility and priority of access criteria.
- Applications received after the above dates set by Albert Park Preschool will be considered if there are available places, and after all other applicants have been offered a place, in line with the eligibility and priority of access criteria of Albert Park Preschool.

#### 2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until an up to date AIR Immunisation History Statement has been received, assessed and found acceptable.
- Albert Park Preschool requires parents/guardians who have been offered a tentative place to provide an up to date AIR Immunisation History Statement for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The "Key dates work form for immunisation and enrolment" in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
  - The Immunisation enrolment toolkit for early childhood education and care services (search 'Immunisation enrolment toolkit')

- The Key dates work form for Immunisation and enrolment (search 'Key Dates work form')
- Hard copies of the immunisation resources (search 'immunisation resources order form')
- The acceptable outcomes of the assessment for offering a confirmed place are:
  - That the next due vaccine for the child on the AIR Immunisation History Statement is within the acceptable timeframe for an enrolment, or;
  - That the child has been assessed by Albert Park Preschool as being eligible for a 16-week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered, and the enrolment can proceed.
- Parents/guardians who **do not** have an up to date AIR Immunisation History Statement and whose child is **not** eligible for the grace period cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- An enrolment record and other relevant information will be provided by Albert Park Preschool to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).
